FINANCIAL DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Notification dated 7th August 1950.

No. 2138—Es. With a view to enable the officials of the Mysore Audit Department to take Part I of the Indian S. A. S. Examination without undue hardship, the Comptroller and Auditor-General of India has kindly sanctioned the arrangement under which the rules and regulations as embodied in the Codes and Manuals issued by the Government of Mysore will replace that part of the syllabus of the S. A. S. Examination which would have required a study of the 'F. R. and C. S. R.' and other Audit and Account codes of the Government of India in both Parts I and II of the S. A. S. Examination. He has ordered that the 'Precis and Draft' paper in Part I and 'Advanced Book-keeping' with 'Costing and Stores' control Papers in Part II of the Examination will be the same as those that will be set for the candidates of the other Indian Audit and Account Offices.

2. Adopting the above principles, the following will be the subjects and syllabus of the S. A. S. Examination —Part I to be held in November 1950:—

(1)	Precis and Draft ...	3	Hours.	Marks 150
(2)	M. S. R.—			
	Theoretical ...	1½	,,	,, 100
	Practical ...	2½	,,	,, 100
(3)	Civil Accounts and Audit.—			
	Civil Branch (For the candidates of the Civil, P. W., Education and Food Supply Audit Offices). M. C. A. C. Vols. I and II, M. A. C., Vol. IV, Part I (Except Section 5 of Chapter 21), Mysore Account Code, Vol. IV, Part II (Local Audit and Inspections), Forest Account Code. Misc. Account Rules and Industrial Audit).			
	*Electrical Branch.** (For the candidates of the Electrical Audit Office). M. C. A. C. Vols. I and II, M. E. A. C. Vol. III plus certain chapters of M. A. C. Vol. IV, Part I (not covered by the above Code, *i. e.*,) Chapters 23, 24, 25, 26, 29, 31 and 32.			
	Theoretical	2	Hours	Marks 100
	Practical	2½	,,	,, 100
	Total Marks for Part I ...			550

* Introduction to the Indian Government Audit and Accounts (2nd Edition, Parts I and III and Principles and Practice of Audit (Chapters IX and XIV) by J. R. Batliboi are recommended for study but no questions will be set from them.

3. The Comptroller and Auditor-General has also asked that the applications of the candidates who intend to take Part I of the Examination may be forwarded to him by the 15th September 1950 with the prescribed certificate.

4. A compartmental system of examination is also in vogue under which a candidate can take one or more subjects of a Part of the Examination at a time instead of appearing in all the subjects of a Part at the same time and if he passes in that subject (by obtaining 45 per cent marks in Precis and Draft and 50 per cent in other subjects separately in each paper where there are two papers in any subject—one theoretical and one practical), he will not be required to appear again in that subject at the subsequent examinations.

5. The Comptroller and Auditor-General has ordered that before the names of the candidates for Part I of the Examination are sent up to him, the candidates should be tested in Precis and Draft in the manner indicated by him. However, as only those who have passed the Accountants

Examination will be permitted to take the Part I Examination no such preliminary test will be necessary in the case of candidates of the Mysore Audit Department.

6. The qualifying service of three years for Upper Division Clerks has been reduced to two years in the case of the candidates who take the examination under the Compartmental System, but a Lower Division Clerk taking the examination must put in at least six years' service before he can be allowed to appear for Part I of the Examination under the Compartmental System or otherwise.

7. For date for the purpose of calculating the minimum qualifying service, 15th November 1950 will be adopted for the examination to be held in November 1950.

8. Such of the candidates of the Mysore Audit Department who have passed the Accountants Examination and who satisfy the condition of the prescribed minimum service and who intend to take Part I of the S. A. S. Examination under the above rules and syllabus—either in full or Compartmentally—should immediately submit their applications in the prescribed printed forms to their respective Official Superiors on or before the 1st September 1950. In the cases of applications from those working in the Subordinate Audit Offices, the Auditors should verify the particulars mentioned in the applications, record the Confidential Report individually on each of the applications and forward them so as to reach this office on or before the 5th September 1950.

9. Applications which are not in the prescribed form and which are not submitted to their official superiors on or before the 1st September 1950 will not be considered.

10. Applicants for the examination who intend to take the examination compartmentally should clearly and distinctly state that they intend to do so.
